

Parents Involved for Excellence
The "PIE" Club

What is it? The Parent Involvement for Excellence (PIE) Club meets periodically at UNC Charlotte during Saturday Academy. Attendance at these meetings affords parents opportunities to stay abreast of upcoming program events and participate in student activities. The PIE Club plays a vital role in raising funds to support Pre-College Program activities.

While all MSEN programs are state funded, budget cuts have significantly impacted the financial support the program receives. The PIE Club is a parental support group whose primary objective is to ensure the UNC Charlotte MSEN program and students have all the tools necessary for a successful academic year.

Why should I join? PIE provides financial support for many of the UNCC MSEN endeavors, some of which include:

- Annual MSEN Competition (transportation, food, lodging) PIE Parents, Teachers and Scholars (~\$11,000 fundraising goal)
- STEM Activities and available community scholarship opportunities
- Scholarships for eligible graduating seniors

How can I join? Annual membership dues are only **\$15.00** per family.

Please complete and mail the form below along with your \$15 check made payable to: The PIE Club, P.O. Box 481741 Charlotte, NC 28269. Or you can give the form to any member of the PIE Club Executive Board at meetings until November. PLEASE DO NOT INCLUDE THIS WITH YOUR NC-MSEN PAPERWORK!
