

π Pie Club of Charlotte

Dear Local Businesses and Friends,

The Parents Involved in Excellence (PIE) Club of Charlotte is a vital component to the success of students involved in the UNC Charlotte NC-MSEN Pre-College Program. The University of North Carolina at Charlotte's North Carolina Mathematics and Science Education Network (NC-MSEN) Pre-College Program is housed in the Center for Science, Technology, Engineering and Mathematics (STEM) Education.

The goal of the NC-MSEN Pre-College Program is to broaden the pool of students pursuing mathematics, science, and engineering based majors and careers. The UNC Charlotte NC-MSEN Pre-College Program actively recruits and prepares students of average to above average ability in grades 6-12 from Mecklenburg and surrounding counties (Anson, Cabarrus, Gaston, Stanley, and Union).

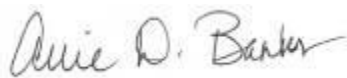

The PIE Club meets periodically at UNC Charlotte. Attendance at these meetings affords parents opportunities to stay abreast of academic enrichment opportunities for their students and volunteer for events and student activities including community service events and field trips. The PIE Club helps in raising funds to support graduating Pre-College Program students via scholarships and transportation to our annual MSEN Day being held this year at Elizabeth City State University on April 23, 2016 which costs approximately \$4,000.

As a representative of this effort, the PIE Club of Charlotte is asking you to assist us by making a donation of goods, services, or money. All donations stay in the program for students. We are a registered 501c3 organization. Our Federal Tax ID number is 30-0236019.

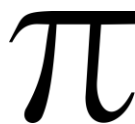

Thank you for your consideration. It is through generous donations like yours that the PIE Club has been able to support the NC-MSEN program in providing numerous opportunities and experiences to thousands of students over the last 30 years. We could not do it without you.

If you have any questions, please contact Avie Banks, PIE Club President, at 704-787-8168 or via email at pieclub_CLT@outlook.com.

Sincerely,

Avie Banks
President, 2015-2016
